

## Policy and Passion by Rosa Campbell Praed

Total running time: 14:32:40

*Policy and Passion* tells the story of a father and daughter torn between the policy of the country in which they live and the passions both have. The father, Thomas, is a rising politician until he has an affair with a married woman. Meanwhile, the daughter, Honora, falls in love with an English nobleman. Still, this tale is not only a love story, but the story of a whole community living in the early days of Australia. This book has received scholarly attention as a work about colonialism.
